

60 liters sorting terminal, compact.

- Designed for stability and discretion, these stations are perfectly adapted to offices, foyers or school cafeterias. Four different openings can be combined to create the ideal recycling station.
- Use AGORA + to create collection stations with attractive lines that meet both your aesthetic needs and environmental requirements, since they comply with HQE standards.
- Four personalized sorting versions to meet every requirement, plus a 60 liters collection bin guarantees significant autonomy for your waste collection.
- We haven't forgotten cleaning companies either, since the mobile, lightweight base system enables effortless movement and easy access to 60 liters collection bins.
