

90 liters selective sorting terminal, big capacity.

- Whether you choose them to equip your offices, relaxation areas or company restaurants, AGORA + terminals will enhance your waste recycling process and give you complete satisfaction with the level and quality of sorting.
- Choose from 6 types of opening and more than 40 plexi cover colors and create collection points with attractive lines that are fully adaptable to your aesthetic and environmental requirements, since they meet HQE standards.
- The AGORA + range is out of the ordinary and shines with its modularity and ease of use: 6 customizable sorting versions to meet all your requests as well as a 90 liters inner collection bin to guarantee you significant autonomy in collecting your waste.
- We have not forgotten the cleaning companies since its mobile and light base allows effortless movement and easy access to the 90 liters collection bins.
